

ST-AC105-CB

STANDALONE ACCESS CONTROL READER

DESCRIPTION

The **Stoneuk ST-AC105-CB** is a robust standalone access controller built with a metal, vandal-proof enclosure and rated IP66 waterproof, making it ideal for both indoor and outdoor installations. It supports up to 2,000 users with a single relay output and operates independently. The device reads 125KHz EM cards and is compatible with the Tuya mobile app via Bluetooth, allowing convenient local access management directly from a smartphone.
