STONEUK - ST-K7

The ST-K7 Smart Lock delivers an all-in-one unlocking experience designed for modern homes and offices. Enjoy flexible access through fingerprint, password, IC card, mechanical key, and TUYA WiFi app control, giving you complete freedom and security at your fingertips. Its ultra-thin aluminum alloy body paired with a sleek OLED glass touch panel offers a premium, high-end look while ensuring durability. With separate control systems in the front and rear panels, the ST-K7 enhances protection against electromagnetic interference for higher security performance. Stay connected anytime, anywhere with the TUYA app, enabling remote access and full control of your lock from your smartphone.
