STONEUK - ST-K9

The ST-K9 Smart Lock combines advanced security with a sleek, modern profile. Featuring multi access methods—fingerprint, password, IC card, mechanical key, and TUYA Wi-Fi app—it offers flexible and convenient access for every user. Designed for effortless operation, the fingerprint sensor is smartly positioned on the handle for quick and natural unlocking. The high-sensitivity touchscreen digital panel ensures smooth and responsive input every time. The ST-K9 is moisture-proof, waterproof, and corrosion-resistant, delivering long-lasting durability. With a 36mm ultra-slim narrow panel, the ST-K9 easily adapts to various door types—making it a perfect blend of style, strength, and smart performance.

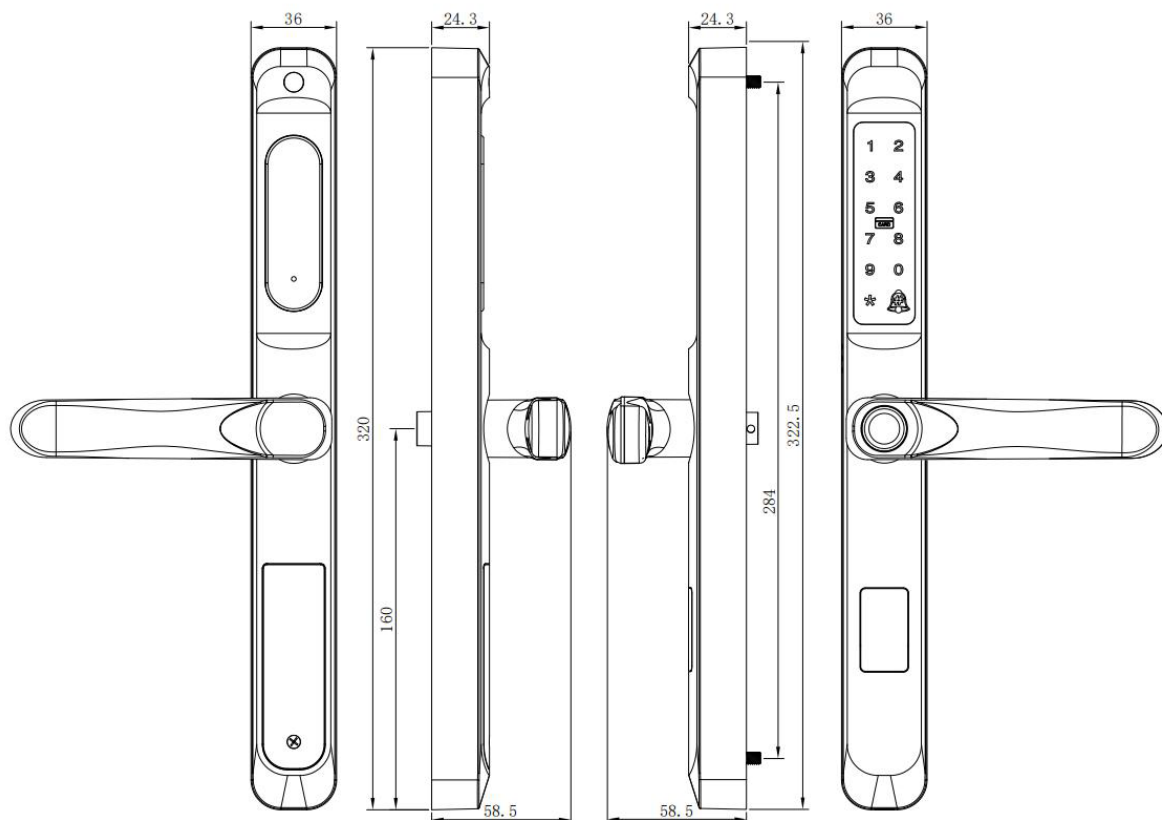

KEY FEATURES

- Multi access with Fingerprint, Password, IC Card, Mechanical Key, and Mobile Access.
- Ultra-thin aluminum alloy body, coupled with OLED glass sensing panel
- Moisture-proof, Waterproof and Corrosion Resistant
- Scramble pin code technology to anti-peep
- High sensitivity of touchscreen digital board
- Ultra-smooth, low-noise, fully automated locking and unlocking performance.

PRODUCT PARAMETERS

Appearance	Aluminum alloy Color: Black OLED Glass sensing panel
Unlocking Method	Fingerprint Password IC card Mechanical keys TUYA Wifi App
Hardware Parameters	4 AAA batteries Emergency power supply Type C IPX6 Rating
Structural Function	Grade C Lock Cylinder Electronic anti-lock
Mortise	2885 3085 3585 (Standard) 4085 4585
Other Functions	English voice prompt Multiple error alarms Low battery alarm Anti-theft alarm Virtual password Silent mode Doorbell
